

VIRTUAL TRAINING

Environmental Justice, Stewardship Projects and the Great Lakes

Part 1 June 4th
1:00-2:30 p.m EST

Part 2 June 10th
1:00-2:30 p.m EST

Join us via Zoom!

1. Download from <https://www.zoom.us/download>
2. Zoom workshop information will be shared with registered participants

Space is limited! Participation stipends are available for participation based on availability and selection criteria.

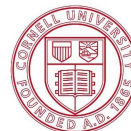

Come learn about environmental justice in connection with the Meaningful Watershed Educational Experience (MWEE) framework. Learn how to engage students in local environmental stewardship projects! Participants will be able to outline their own environmental justice lesson and gain feedback from workshop leaders and peers. Remote distancing stewardship projects and resources will be discussed.
