

Education Collaborative of WNY

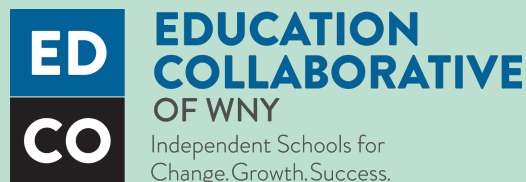

Conference 2015

## STEAM Conference

August 3rd & 4th, 2015

Nardin Academy

The 2nd Education Collaborative of Western New York STEAM Conference, hosted by Nardin Academy, will bring educators from Western New York together to learn and discuss STEAM (Science, Technology, Engineering, Art, and Math) Education in K-12 private, independent, charter and public schools. The conference will include sessions that cover all aspects of STEAM with sessions led by K-12 teachers, college and university professors, and STEAM industry professionals. In addition to the conference on August 3rd, in-depth STEAM workshops will be held at Nardin Academy and various sites on August 4th.

Visit our website for more information, to submit a workshop proposal and attend.
